JU-First Class-Steles – for a premium appearance

Our steles are available in four installation widths and two standard widths. They are ideal as an additional advertising space directly or slightly offset to your building. Eye-catcher of the highest quality. Combined with our Avantgarde mailboxes and many other components, you can design the optimum solution for every application.

Features:

- housing made of polished stainless steel or aluminum, made of one piece
- anti-theft rear removal doors with cylinder locks
- concealed base plate fastener and convenient connection of the components on the rear side
- labels & logos see page 163
- built-in components such as cameras, fingerprints, etc. by almost all manufacturers can be integrated
