III. 84/1
 First Class mailbox system free-standing model 08-512
 I/D box with intercom grid 21-174, 21-147
 doorbell button 21-216FW
 name plate 21-134
 module preparation for the module (camera) to be supplied by the customer
 engraving box with the street and house number engraving
 with acrylic glass, flush-mounted
 rear wall
 Nova 20 panelling, continuous as stand 22-316
 Prepared for on-site profile half cylinders as specified

Horizontal, space-saving mailboxes are particularly suitable where there is space in the depth, but not necessarily in the surface. The mailboxes of the series 08 can also be used efficiently for multi-part, large systems. Available in three widths and two different depths, the options we offer are diverse.
